### MUSLIM & ARAB COMMUNITY TO DEMAND THE GOVERNMENT TO TERMINATE ITS DISCRIMINATORY AND POLITICALLY MOTIVATED INVESTIGATION, AND TO CANCEL ITS SEIZURE OF MR. SALAH AND QLI'S ASSETS

(Chicago, IL. - 06/11/1998). The American Muslim, Arab and Palestinian community is shocked and outraged by the unjust and unconstitutional government's decision to seize the home of Mr. Mohammad Salah and assets of the "Qur'anic Literacy Institute" (QLI). This action will cause Mr. Salah, his expecting wife and three young children to become homeless. Mohammad Salah has worked hard through honest and legitimate means for the past twenty years to provide a decent home for his family. Mr. Salah is a very well-known community activist and leader. He has volunteered a great deal of his life working for the Muslim, Arab, and Palestinian community interests in Greater Chicago. QLI is a non-profit, non-political, Islamic educational organization whose sole purpose is to translate and interpret the holy book of Muslims, the Holy Qur'an. Labeling QLI as money-laundering front for terrorism is viewed by community members as yet another antagonistic and intimidating attack in hopes of deterring active support of Islamic causes and organizations.

Over the past decade, the American Muslim, Arab, and Palestinian community has been the target of a series of politically-motivated, witch-hunts by the federal authorities due to pressure by pro-Israeli groups. Under such extreme pressure, Congress enacted several constitutionally-challenged laws which single out and stigmatize the Muslim community. Pro-Israeli groups continue to use the unfounded Israeli allegations against Muhammad Salah to launch a stereotypical media campaign in an attempt to tie the community to terrorism in the minds of Americans, and scare them away from supporting their causes, especially the issue of Palestine. During this ordeal, hundreds of Muslims and Arabs have been the subjects of harassment by federal authorities. In the last two days only, over (30) members of our community were visited by FBI agents. Palestinian American residents have been threatened with deportation by the INS if they do not cooperate with the FBI.

The Muslim, Arab and Palestinian community firmly stands with the Salah family and Qur'anic Literacy Institute through these trying times. We are strongly convinced of the innocence of the accused, and we demand that our government terminates this discriminating and politically motivated investigation, and cancel its decision to seize the assets of Mr. Salah and QLI. Also, we demand that the media accurately depict the Muslim community in its reporting. Inaccurate information and biased reporting has continuously been used to portray negative images of Muslims. These negative images have manifested into the harassment, intimidation and physical harm of innocent Muslims, Arabs, and Palestinians throughout the country. We urge the media to accurately reflect the positive image and the many positive contributions our community members have made to American society.

#### HOW YOU CAN HELP:

1. Call, fax, write all people listed requesting the implementation of the above demands:

2. Make copies of this statement and pass them out to your community individuals and organizations.

Title: OPERATION VULGAR BETRAYAL  
AOT-IT-WCC

Synopsis: Telephone calls made by TDY SA to resolve handling response to [REDACTED]

Details: On 1/29/99, 2/2/99 and 2/5/99 SA [REDACTED] TDY, spoke with SA [REDACTED] Chicago, regarding serials 4 and 5 of captioned CG file because the leads 4.2 and 5.2 are listed as covered by Chicago but Paris has no hard copy and cannot find them in ACS. [REDACTED] advised he would pull the files and search. He advised on 2/5/99 that he had pulled the files but could not find the EC's which showed leads 4.2 and 5.2 covered. He advised he would speak with SA [REDACTED] Chicago Squad CT-1, on Monday 2/8/99. [REDACTED] had been assigned one of the leads; the other one is only listed as assigned to squad CT-1 but shows no assigned agent. [REDACTED] would call SA [REDACTED] after speaking with [REDACTED] to determine if the leads had mistakenly been "covered" in ACS without actually being covered by [REDACTED] or any other Chicago agent.

On 2/5/99 SA [REDACTED] spoke with [REDACTED] IRB, to see if FBIHQ had ever provided to DGSE the information requested for captioned FBIHQ file, which appears to be identical to the information requested by the [REDACTED] from Legat, Paris and concerns captioned CG file. [REDACTED] advised she would have the HQ file pulled and look into the matter and get back in touch with SA [REDACTED]
